LAS Webinar Series "Improving nonclinical research practices: way forward"

2022

Dear Sir/Madame,

The Croatian Laboratory Animal Science Association (CroLASA) is organising the **LAS Series Webinar 2022** "Improving nonclinical research practices: way forward" in collaboration with SLAS (Society for Laboratory Animals of Slovenia).

Webinars will be held once a month *via* Zoom platform during the 4-month period (from February to May).

We cordially invite You to refine Your knowledge with new professional and scientific discoveries from the area of laboratory animal science.

See You soon virtually!

Kind regards,
CroLASA-SLAS team
